*12th Marks - (72 Percent)*

**March-2022**

*Aurangabad, Maharashtra.*

**Swami Vivekanand College, Khultabad**

*Bachelor Of Computer Application*

**Jul.2023 – Present**

*Aurangabad, Maharashtra*

## SKILLS

---

- |                |                |               |
|----------------|----------------|---------------|
| • HTML         | • CSS          | • JavaScript  |
| • React Js     | • Redux        | • RTK Query   |
| • Bootstrap    | • Tailwind CSS | • Material UI |
| • Node.js      | • Express.js   | • Mongo DB    |
| • React Native |                |               |

## LEARNING

---

### • Full Stack Developer

*Skillhub It Solutions, Kranti Chowk, Aurangabad*

*(07/2023–Present)*

- Developed responsive interfaces using HTML, CSS, JavaScript, and React.js, translating UX designs effectively.
- Optimized server-side logic and databases for improved performance and faster query execution times.
- Collaborated within Agile methodologies, contributing to sprints and conducting code reviews.
- Proficient in Git for version control and deployment processes.

## PROJECTS

---

### Url Shortener

 [urlshortner.com](https://urlshortner.com)

- Developed a dynamic URL shortening service using MongoDB and Express.js, ensuring secure and efficient URL management.
- Created intuitive user interfaces with React, incorporating personalized features and analytics.
- Engineered a scalable infrastructure to handle high traffic volumes, ensuring reliability and performance.

- Implemented advanced URL customization options and real-time analytics for detailed performance tracking.
- Designed and implemented user authentication and authorization mechanisms, ensuring data security.

## Portfolio Website

 [portfolio.com](https://portfolio.com)

- Developed a dynamic portfolio site using HTML, Tailwind CSS, React.js, Redux, MongoDB, and Express.js.
- Ensured responsive design across devices and optimized performance with caching and database optimizations.
- Integrated Google Analytics for comprehensive user behavior analysis and site performance tracking.
- Designed and implemented a content management system, enabling dynamic content updates.

## Tours And Travels Website

 [tourstravels.com](https://tourstravels.com)

- Developed a dynamic website using React.js and Tailwind CSS, integrating Firebase for authentication and session management.
- Designed and implemented a robust booking system with admin panel functionalities.
- Optimized website performance, achieving a 25% reduction in bounce rates.
- Conducted market research to identify emerging travel trends and new service opportunities.

## CERTIFICATION

---

**Full-Stack Developer**

*Skillhub It Solution*

**June-2024**

*Aurangabad, Maharashtra.*
