VISHAL PAL

FRONT-END DEVELOPER

A Front-End Developer with entry-level experience specializing in web development, user interface design, HTML, Tailwind, Bootstrap, Redux Toolkit, ReactJS, and TypeScript. Adept at identifying opportunities to enhance front-end design and improve the user experience.

SKILLS

- TypeScript : Proficient in TypeScript for scalable and maintainable code. Extensive experience with Angular and React for front-end development. Strong understanding of static typing, interfaces, and async programming. Skilled in integrating TypeScript with build tools and npm. Adaptable to the latest TypeScript features and best practices.

- React JS : Hands-on experience in developing dynamic and interactive user interfaces with front-end libraries and frameworks. Proficient in React for building complex web applications. Skilled in component-based architecture and state management for seamless user experiences.

- Redux Toolkit : Proficient in utilizing Redux Toolkit for efficient state management in React applications. Redux Toolkit streamlines the setup and management of Redux, promoting clean code, simplifying asynchronous actions, and enhancing the debugging process. It's a valuable tool for maintaining organized data flow and improving development productivity in complex web projects.

- JavaScript (ES6+): Strong understanding of JavaScript fundamentals, including variables, functions, closures, and asynchronous programming with promises and async/await.

- Responsive Design: Ability to create web designs that adapt to various screen sizes and devices.

- Responsive Design: Ability to create web designs that adapt to various screen sizes and devices.

- CSS Frameworks: Familiarity with popular CSS frameworks like Bootstrap or Foundation can expedite development.

- Version Control/Git: Knowing how to use version control systems like Git is important for collaboration and code management.

PROJECTS

- E-Commerce Website

- Personal Portfolio

- Weather App

- Tours And Travels

- Food Delivery Website

- Shortify(Bitly Clone.)

EDUCATION

Currently Pursuing Bachelor of Computer Application.
At, Dr. BAMU University.
Aurangabad,Maharashtra.
